

## Regulations & Criteria Regarding Artworks for Display by Visiting Exhibitors in the Chilliwack Gallery

- Content must be appropriate for the show site.
  - Nudes must be approved
  - Political subjects must be approved
- Hangings must have a good solid frame and must have hangers on the back strong enough to support the weight of the artwork.

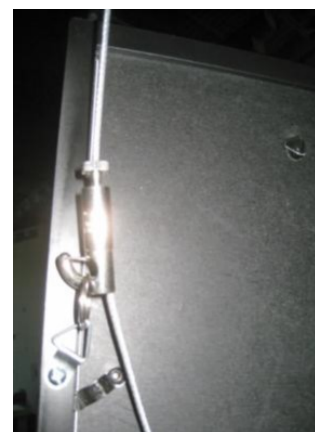

*Below are photos of the types of eyelets to be used. These make it possible for the CVAA Hanging Committee to hook them onto the pre-existing hanging system installed at the gallery as shown. The eyelets should be a minimum 4" below the top of the frame.*

Large 1" eyelet not needing split ring

Medium 3/4" eyelet with split ring

Small 1/2" eyelet with split ring

- Exception occurs with textile pieces, wall hangings or 3D pieces.
- For security reasons and to assist with correct labeling of pieces please attach a label of this format on the back of your piece. It must also be attached to 3D pieces if at all possible.
